I have read and understood the student driving rules *and the consequences for non-compliance* in the Student Handbook. My student has a driver's license and my permission to operate the following vehicle(s) on the Wheaton Academy property. I understand all student-operated vehicles will need a WA provided identification hanging tag.

Payment must be included with the parking permit application. The permit will be mailed to you during the summer. Priority in assigning parking spots will be given to Seniors, then Juniors, then Sophomores if availability allows. Senior and Junior spots will be mailed in the summer. Sophomores will pick up their permits in the fall. **Parking tags should be hung facing out from the rear view window at all times when on campus. Tags may be shifted from one family car to another should the need arise to drive a different vehicle to school.**

Turn in completed application with cash or check made payable to Wheaton Academy for \$30 to the front office receptionist.
